#### **Dear Stripe**

I have noted that both my Membership Accounts held under email addresses shantanupanigrahi@yahoo.com at Stripe Bank for the JOIN IT Facility and shantanupanigrahi:aol.com for Brilliant Directories are currently validated and I operate these to account from the stated email addresses.

This leaves the question of why the shanpanigrahi3000@gmail.account held in Stripe now exists at all. The history is one of confusion that has not been clarified as linked here:

https://www.knowledgeassessmentanddissemination.com/post/re-the-original-offending-stripe-account-at-join-it. As to whether it requires us to undelete the account associated with the email address you've used to reach us out, sh[redacted]00@gm[redacted]il.com which is linked to The Conservative Libertarian Publications Limited" (acct\_1P[redacted]06)? I would say No in case it is required for Court purposes, we should only correspond through the shantanupanigrahi@yahoo.com and shantanupanigrah@aol.com.

I hope this information helps Stripe's assessment, but if I need to provide further clarification of my needs going forward, please let me know.

Yours sincerely

**Dear Stripe** 

There are a couple of unresolved issues, the first is Stripe's approval of the attached raison d'etre (WHAT MORE CAN I DO-digital.docx), and second who was responsible for the offending Account in Join it, which seems to have spilled over to the new Account in that the payout from Stripe goes to my personal Nat West Account and not to the business Account of the Conservative Libertarian Publications Limited that is CLEAR BANK.

As long as Stripe is happy to carry on we need not spend time mulling over what should happen next.

WHAT MORE CAN I DO?

I altered the name of the Political Party from TCLP-UK to Conservative Libertarians (UK) in the application to the Electoral Commission to seemingly get the ball rolling

Tidied up the blogpost accordingly to:

Birth of a New Era Finally: Conservative Libertarians (UK)

https://www.theconservativelibertariansociety.com/post/birth-of-a-new-era-finally-conservative-libertarians-uk

By this I mean a Republican Party, Conservative Libertarians (UK), with full Banking Support to conduct business under its Company The Conservative Libertarian Publications Limited that funds the Party is now entrenched in the United Kingdom and no power is able to shift it now that as it has defacto received full legal accreditation, pays taxes to HMRC and is registered with Companies House and partly registered with the Electoral Commission under the name. All it needs is 15 members from which the required number of officials (Secretary, Treasurer) can be appointed to satisfy the Electoral Commission's requirements for full registration as a political party.

The crux of the matter is that I will not be fobbed off; by Medway County Court administering my Claim J00ME572 so that Kent Police is either answerable to Medway County Court at a Hearing for which this Court has jurisdiction or Court officials in Medway County Court are answerable for Gross Misconduct in Public Office to the Police Force under Crime Reference Number CAD 15-0362 that has been allocated. I am striving hard to have this Dispute heard/adjudicated on in Medway County Court and will not engage in the further prevarications as Stripe has been doing along with Tide Bank for months. Dear Stripe

Thank you for your email that I have taken the actions on as attached:

FrStripeSupport(LatestAssessmentHowdoyouwishtoproceed)18Mar2025.docx. I am not happy that this matter was closed yesterday at 4.00 pm (UK-Time) set to Stripe as my deadline for further negotiations with the Dispute not having been resolved accordingly.

If I can be of any further assistance to Stripe to streamline the email accounts, please let me have your proposal of how this can be brought about as I do not understand the technical details - I rely on Les Orchard at LinkedIn whose advice on the Court of Appeal processes you are no doubt aware of and reviewed in the link here:

That's a thoughtful perspective! Traveling really does expose us to the unpredictability of nature and life itself. With our yoga, what I learnt is that we start with Faith like fishing in the dark, then Faith is abandoned because of the idea that one must be liberated, and that includes liberation from all things including Personal God, which sets us on the travel journey to test the hypothesis through experience of whether one has been protected by a supernatural power as you mentioned. God does not want any human being to be 'attached' to HIm.(Edited)

When does a philosophy become a religion: that is a question that I have grappled with for years as a scientist by first degree and post graduate studies with the publication of 35 papers in refereed journals. The answer is if it works for you accept it as gospel truth; until something new dawns upon the mind to replace existing beliefs.

Then I blogged the email sent back to Stripe copied to the Court of Appeal in Daily Bulletin to have some proceedings that I can use in Defence that can be said was ignored by the State authorities:

I will never ever move proceedings away from the Court of Appeal for it is the highest Court for civil litigation matters it would appear.

That's a thoughtful perspective! Traveling really does expose us to the unpredictability of nature and life itself. Every journey can teach us something new, whether it's about the environment, different cultures, or even ourselves. Embracing that uncertainty often leads to the most memorable experiences. With our yoga, what I learnt is that we start with Faith like fishing in the dark, then Faith is abandoned because of the idea that one must be liberated, and that includes liberation from all things including Personal God, which sets us on the travel journey to test the hypothesis through experience of whether one has been protected by a supernatural power as you mentioned. God does not want any human being to be 'attached' to HIm.(Edited)

MAKING IT UP AS ONE GOES ALONG

[Edited: 10.28 am, 7 March 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular raison d'etre. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 345 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality'. But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi seemingly started on completion of my Book Truth-accommodation (Satya-advaita) and I stared writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the

Realisation is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

Mahasamadhi is total Realisation when one does stop one's karma in sanatan dharma and lives in Yoga-ananda, the yogadaan emanating from one's dedication to the comprehensive approach to yoga.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.

At 19.35 pm checked the Verification Status of the Stripe Bank Accounts for The JOIN It and BRILLIANT DIRECTORIES Membership links for The Conservative Libertarian Publications Limited and both remain validated. So I did not get a single penny in damages and compensation but my reputation is intact. With that I terminate this book having deleted all emails and deleted a number of posts from my Mobile Phone to tidy up the websites.

When the full truths are known there is no need for yoga so Samadhi is well and truly on the Cards. I might not play the game of interactions with people as it is just a waste of my precious time now serving no purpose.

A New Phase will begin of 'Always work in progress'.

James, There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <a href="https://app.joinit.com/o/conservative-libertarians/">https://app.joinit.com/o/conservative-libertarians/</a> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <a href="https://knowledgefoundersunited.com/">https://knowledgefoundersunited.com/</a>

In case you need additional information; please check here:

Best wishes

Hi Dr. Shantanu,

Thank you for circling back to us. After reviewing the thread, I understand that you have a query regarding a dispute. Correct me if I am wrong. I am here to assist you.

Upon checking, I can see that you have four Stripe accounts under the email address sh(redacted)@ya(redacted).com. I digged down but was unable to find any disputes in these accounts.

I would request you to please share the transaction Id or the dispute id so that we can check further. You can also attach a screenshot that helps us to find the dispute.

Remember, I am an email away from you. Feel free to reply back to us on the same email, if you have any questions or confusion.

Wishing you the best,

Vishal

Dear Stripe

Unfortunately, I was waiting for some legal advice regarding communications through various media channels before responding to your query, but no one seems to know who organised this:

What does one do with nuisance phone calls like the one I have been plagued by on the Mobile Phone and Landline Phone that I repeatedly reported to Kent Police, but it does not stop: 'Landline Phone rang at 10.51 am and stopped as if some message was being delivered to me or my family, or maybe it is being delusional as 38 Degrees and Peter Cook say to consider that the Security Services of M15/M16 have terrorised me over the past decade especially with its criminal anonymous emails sent to me and my associates in the United Kingdom and overseas. > (34) The Security Services should not use social media to terrorise the people | 38 Degrees (Disabled)

I would request you to take this evidence into account in determining whether my two Membership Accounts should no longer be on hold as you put it.

Dear Stripe

Thank you for your email that I have taken the actions on as attached:

FrStripeSupport(LatestAssessmentHowdoyouwishtoproceed)18Mar2025.docx. I am not happy that this matter was closed yesterday at 4.00 pm (UK-Time) set to Stripe as my deadline for further negotiations with the Dispute not having been resolved accordingly.

If I can be of any further assistance to Stripe to streamline the email accounts, please let me have your proposal of how this can be brought about as I do not understand the technical details - I rely on Les Orchard at LinkedIn whose advice on the Court of Appeal processes you are no doubt aware of and reviewed in the link here:
